

skyVac[®] Telescopic Inspection Pole:

Simple lock/release clips allow easy extraction & retraction

Safety locking system

Pole Height (metre):

	6m	7.5m	9m
Diameter (mm):	44mm	44mm	44mm
Total Pole Weight (kg):	1.3kg	1.6kg	1.9kg
Collapsed Height (metre):	1.93m	1.93m (+ SVX1-CLIP 1.5m)	1.93m (+ 2 x SVX1-CLIP 1.5m)
Telescopic sections:	4 collapsible sections / 3 clamps	4 collapsible sections / 3 clamps	4 collapsible sections / 3 clamps

Material / Construction

Carbon Fibre:	YES	YES	YES
---------------	-----	-----	-----

Package includes:

6M Telescopic Pole Package:

- 6M ATEX Telescopic Pole
- Safety locking system carbon fibre 155 degree tool holder (SVX2-clips)
- Safety locking system carbon fibre 65 degree tool holder (SVX3-clips)
- Safety locking system large round end brush (SVX8-4)
- Safety locking system small round end brush (SVX9-4)
- Safety locking system crevice end tool (SVX7-4)
- Safety locking system carbon fibre straight hose cuff connector (SVX-5)
- Anti-static tool carrying bag (SVX-13)
- Anti-static pole carrying bag (SVX-14)

7.5M Telescopic Pole Package:

- 6M ATEX Telescopic Pole
- 1.5M ATEX Spring Clip Suction Pole (SVX1-clip)
- Safety locking system carbon fibre 155 degree tool holder (SVX2-clips)
- Safety locking system carbon fibre 65 degree tool holder (SVX3-clips)
- Safety locking system large round end brush (SVX8-4)
- Safety locking system small round end brush (SVX9-4)
- Safety locking system crevice end tool (SVX7-4)
- Safety locking system carbon fibre straight hose cuff connector (SVX-5)
- Anti-static tool carrying bag (SVX-13)
- Anti-static pole carrying bag (SVX-14)

9M Telescopic Pole Package:

- 6M ATEX Telescopic Pole
- 2 x 1.5M ATEX Spring Clip Suction Pole (SVX1-clip)
- Safety locking system carbon fibre 155 degree tool holder (SVX2-clips)
- Safety locking system carbon fibre 65 degree tool holder (SVX3-clips)
- Safety locking system large round end brush (SVX8-4)
- Safety locking system small round end brush (SVX9-4)
- Safety locking system crevice end tool (SVX7-4)
- Safety locking system carbon fibre straight hose cuff connector (SVX-5)
- Anti-static tool carrying bag (SVX-13)
- Anti-static pole carrying bag (SVX-14)

Key Features

Range of anti-static end and neck tools

Carbon fibre lightweight material

Simple lock/release clips

Removes dense dust safely

NEW safety locking system ATEX suction poles
